

Starts June 1, 2022!

What to Recycle

Glass

Clean bottles and jars **ONLY**

Labels OK

- NO** lids
- NO** blue glass
- NO** other glass
- NO** dirty containers!

Plastic and Cans

Metal cans **NO** loose lids

- ONLY** bottles and jugs
- NO** lids
- NO** other plastics!

Plastic bottles for motor oil, antifreeze, weed killer, etc. go in the trash.

*see back page for more info

Recycling **MUST BE** rinsed thoroughly, empty, and loose in the bins—not bagged!

Corrugated Cardboard

Look for the wavy lines

CLEAN CORRUGATED CARDBOARD
NO food, wax or plastic coating

Curbside service: bundle & tie
For all: flatten

Mixed Paper

Boxes, paper bags, newspaper, magazines, office paper, junk mail

If it's not on this list, we can't recycle it!
No "wish cycling" please!

Recycling and Household Hazardous Waste drop-off locations

Jefferson County Recycling Center (Skookum Contract Services)	301 County Landfill Road, off Jacob Miller Road just outside of Port Townsend. Open Monday - Saturday from 9 am to 4:30 pm, except County holidays. Skookum also offers household and commercial paper shredding and electronics recycling services. 360-385-7678.
Quilcene Drop Box Facility	295312 Highway 101, south of the U.S. Forest Service Ranger Station. NOTE new days and times: Open Tuesday, Thursday, and Saturday from 9-Noon and 12:30-4:30pm. Closed County holidays.
Port Hadlock	202 Elkins Road. Open 24 hours/7 days a week.
Kala Point	20 Village Drive. Open at the discretion of the Village Association.
Port Ludlow Village Center	40 Village Way. Open 24 hours/7 days a week.
Household Hazardous Waste Facility	282 10th St., Port of Port Townsend Boat Haven. Hours: Fridays and 1st Saturday of the month—10 am-Noon and 12:30-4:30 pm

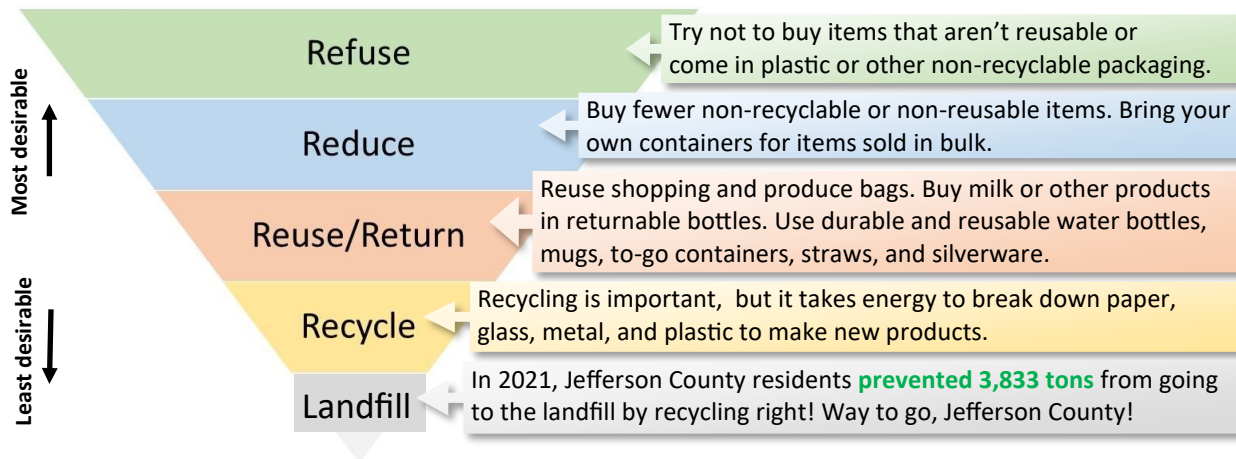

Helpful information

If an item is not on our list, it's not recyclable in Jefferson County!

Separating our recycling ensures it is recyclable and reduces contamination.

Want to make a difference? Try this inverted waste pyramid:

Zero Waste Shopping

Recycle plastics by TYPE, not by NUMBER

Numbers are outdated and misleading. They were not created to tell whether something is recyclable. They stand for which resin is the primary ingredient in the plastic.

Note: empty plastic bottles that contain hazardous material (motor oil, antifreeze, weed killer, etc.) go in the trash.

Batteries

- Alkaline batteries are considered safe to put in the trash. They are **NOT** recyclable.
- Lithium, button, and rechargeable batteries can be recycled at the HHW facility at the Boat Haven (see address above). These are **FIRE HAZARDS** in the landfill!

Compact fluorescent bulbs and tubes

They can be dropped off locally at the Jefferson County Recycling Center, HHW facility, and the Quilcene Dropbox Facility. **DO NOT** put them in glass recycling. Due to their mercury content, **they are hazardous waste!**

Department of Public Works
Jefferson County, Washington
