

Starts June 1, 2022!

What to Recycle

Glass

Clean bottles and jars **ONLY**
Labels OK

NO lids
NO blue glass
NO other glass
NO dirty containers!

Plastic and Cans

ONLY bottles & jugs
NO lids
NO other plastics!

*see back page for more info

Metal cans
NO loose lids

NO used plastic bottles for motor oil, antifreeze, weed killer, etc.

Recycling **MUST BE** rinsed thoroughly, empty, and loose in the bins—not bagged!

Corrugated Cardboard

Look for the wavy lines

CLEAN CORRUGATED CARDBOARD
NO food, wax or plastic coating

Curbside service: bundle & tie
For all: flatten

Mixed Paper

Boxes, paper bags, newspaper, magazines, office paper, junk mail

If it's not on this list, we can't recycle it! No "wish cycling" please!

Recycling and Household Hazardous Waste drop-off locations

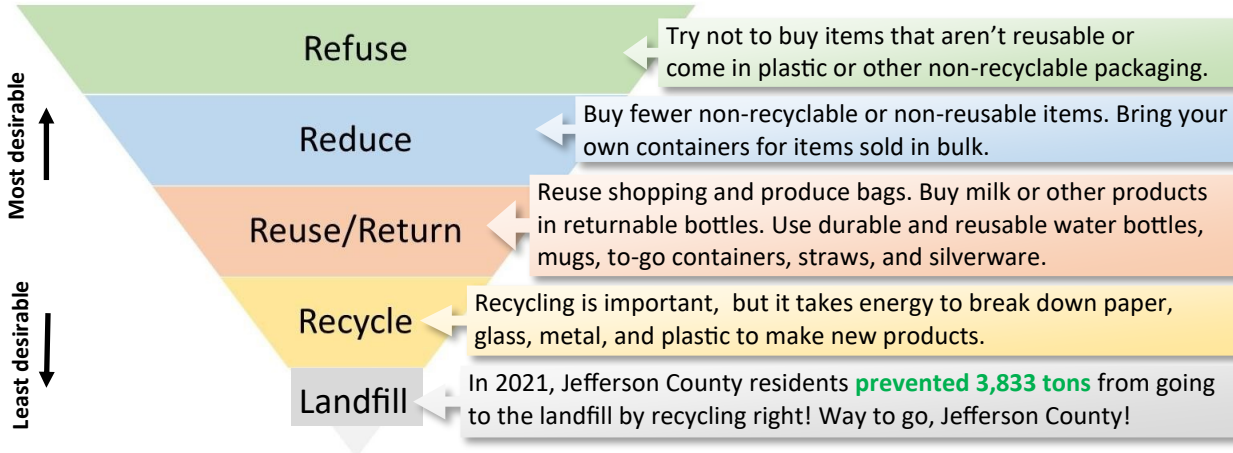

| | |
|---|---|
| Jefferson County Recycling Center (Skookum Contract Services) | 301 County Landfill Road, off Jacob Miller Road just outside of Port Townsend. Open Monday - Saturday from 9 am to 4:30 pm, except County holidays. Skookum also offers household and commercial paper shredding and electronics recycling services. 360-385-7678. |
| Quilcene Drop Box Facility | 295312 Highway 101, south of the U.S. Forest Service Ranger Station. Open Tuesday, Thursday, and Saturday from 9-Noon and 12:30-4:30pm. Closed County holidays. |
| Port Hadlock | 202 Elkins Road. Open 24 hours/7 days a week. |
| Kala Point | 20 Village Drive. Open at the discretion of the Village Association. |
| Port Ludlow Village Center | 40 Village Way. Open 24 hours/7 days a week. |
| Household Hazardous Waste Facility | 282 10th St., Port of Port Townsend Boat Haven. Open hours are changing. Check the web page for current information: www.jeffersoncountysolidwaste.com |

**Secure your load!
It's the law.**

If an item is not on our list, it's not recyclable in Jefferson County!

Separating our recycling ensures it is recyclable and reduces contamination.

Want to make a difference? Try this inverted waste pyramid:

Zero Waste Shopping

Recycle plastics by TYPE, not by NUMBER

Numbers are outdated and misleading. They were not created to tell whether something is recyclable. They stand for which resin is the primary ingredient in the plastic. Any plastic besides bottles and jugs **contaminates** the load!

- Prescription pill bottles are **NOT** recyclable.
- Empty plastic bottles that contain hazardous materials like motor oil, antifreeze, weed killer, etc. go in the trash. Bottles containing these products go to the HHW facility.

Compact fluorescent bulbs and tubes

They can be dropped off locally at the Jefferson County Recycling Center, HHW facility, and the Quilcene Dropbox Facility. **DO NOT** put them in glass recycling. Due to their mercury content, **they are hazardous waste!**

Batteries

- Lithium, button, and rechargeable batteries can be recycled at the HHW facility at the Boat Haven (see address above). These are **FIRE HAZARDS** in the landfill!

- Alkaline batteries are considered safe to put in the trash. They are **NOT** recyclable.

Department of Public Works
